A partnership opportunity from NUSTIAN USA, a registered 501(c)(3) nonprofit organization.

A COMMUNITY BUILT TO CONNECT AND GIVE BACK

Built by alumni. Open to a wider community.

Held in the heart of Silicon Valley, this prestigious event draws a diverse audience of 250+ dignitaries, business professionals, executives from Fortune 100 companies, and NUST alumni from across the United States and Pakistan — creating a natural setting for connection, recognition and shared impact.

01 / WHAT IS NUSTIAN USA

A national alumni community with purpose.

NUSTIAN USA connects graduates of Pakistan's National University of Sciences and Technology who live and work across the United States. The network spans technology, engineering, academia, entrepreneurship and industry.

As a registered 501(c)(3) nonprofit, it turns professional connection into community impact — supporting education, mentorship, alumni engagement and opportunities that strengthen the wider Pakistani diaspora.

02 / THE ANNUAL EVENT

The flagship night where the network comes together.

The 2026 Silicon Valley Annual Gala is NUSTIAN USA's yearly flagship: an evening of dinner, live entertainment, professional connection and community celebration for 200–300 guests in the Bay Area.

The room extends beyond NUST graduates to their families and friends, leaders from other Pakistani alumni networks, and professionals from across the local diaspora. A partnership with OPEN Silicon Valley will help bring additional community reach to the event.

WELCOME

Connect

Meet alumni, senior professionals, entrepreneurs, families and partner communities across the Bay Area.

DINNER

Celebrate

Share a relaxed evening built around recognition, conversation and a sense of belonging across generations.

CONCERT

Experience

Close the flagship with a planned A-tier artist performance designed to make the night memorable.

A YOUNG, CONNECTED, INTERNATIONAL AUDIENCE

Across the social ecosystem
